Re: C00178418 Boucher for Congress Committee
Amendment to the 30-Day Post-Election Report following the General
Election on 11/3/98 in the State of VA

Dear Ms. McCarthy:

I am writing to file an amendment to the Boucher for Congress Committee's Post Election Report. The amendment involves substituting the Summary Page because of a typographical error, and replacing an attachment to the Committee's list of disbursements.

Specifically, the enclosed Summary Page will substitute the one previously submitted with the Committee's report to correct a typographical error on #7(c), Column B Calendar Year-to-Date, Net Operating Expenditures. The figure \$624,895.47 will replace the reported figure of \$624,895.42; I mistakenly typed a "2" instead of a "7".

The second correction is related to the Attachment to Line Number 17, Operating Expenditures which itemizes NationsBank Visa charges for October 26, 1998. In this instance, two Visa bills were mixed up and the wrong amount for the wrong date was reported. I am enclosing a corrected Attached Itemization Page for the NationsBank Visa disbursement on Page 12 of 29 for Line Number 17, 10/26/98.

The Committee is presently working with our computer programmer to have these pages produced by computer in an automated way to insure that these errors do not occur in the future. I apologize for any inconvenience, and I will strive to make sure the need for similar amendments does not occur in the future.

If you have any questions, please feel free to give me a call at (540)628-7197.

Thank you.

Sincerely,

Deirdre S. Goldsmith
